Terms and conditions

A non-returnable deposit of £50.00p per room, is payable at time of booking, once we have your booking form, we will send you a payment link NB Bookings will not be accepted without the deposit. Full payment 14 days before stay. Please give at least 14 days' notice of cancellation in writing or email, otherwise the whole fee is due, if you return home before the booked collection date, then we are afraid the full amount will still be due. For dogs sharing a kennel, a disclaimer will have to be signed in case the dogs fight and if they do we, reserve the right to separate them and charge for single kennels. If a dog is unwell, it will be taken to our vet and the owner is responsible for the vet bill and our transport charge plus vat for each time it is transported to the vet. We are closed for pickups and drop offs on Xmas Day and New Year's Day. Please make sure your dog is fully inoculated and up to date, please bring the inoculation certificate with you, please note the kennel cough inoculation must be done at least 14 days before boarding if done any closer to boarding date WE CAN NOT BOARD YOUR DOG! You are

strongly advised to make sure your travel insurance covers kennel boarding fees in case of cancellation. WE CAN NOT ACCEPT DOGS WITH TEMPERMENT ISSUES. We take the bulldogs purity, health and temperament very seriously, therefore we do not accept unrecognised colour bulldogs (ie Blue, Lilac, Chocolate, Merle) or dogs from (rainbow litters) as the colours are not in the gene pool and are often crossbred to get the colour and have been proven too often have temperament issues.. We do not accept crossbred dogs that use the name bulldog or any dogs with temperament issues.
