Bulldog Holidays, is a state of the art luxury boutique hotel built specifically for the bulldog. Each suite has been built using the best products available on the market, the floors are tiled for coolness and hygiene but also have underfloor heating when needed (knowing how much our breed love their comforts) Glass panel doors so your bulldog can see everything going on. High ceilings and good natural light. The view from each suite is breath taking. We supply raised beds and lots of nice cuddly blankets for our guests. We know all the bulldog tricks so all blankets are checked and changed daily if needed just in case someone has wet the bed! Meals are included in the package and lots of treats too. We use Skinners complete food, Skinners duck and rice, skinners fish and rice, Skinners puppy food and also raw food. We know bulldogs inside out and a daily check and face wash making sure all those little creases and crevices are clean and powdered. We have beautiful fields also play areas (Splash pool in the summer) for daily use for your dog and as we have owned bulldogs for almost 30 years, we know how much exercise a bulldog should have and you can rest assured your bulldog is never going to be put at risk with heat or over exercise. We are very security conscience and someone is at the property 24 hours a day, the kennels have modern fire alarms fitted. Our love for this breed has lead us to build this facility to give the very best we can for these dogs, you can rest assured your dog is loved and cared for while you are away. We are able to take in Frenchies or other brachycephalic breeds providing they are purebred and not unrecognised colours (i.e. black, black and tan, blue, lilac, chocolate or merle due to the poor breeding practices used to produce these colours that are not in the breed). If your dog lives with another breed, we may be able to board it, please ask and we are happy to chat. Our charges are per day that the dog stays. 2019 , **A NON RETURNABLE DEPOSIT OF £50.00P IS PAYABLE AT TIME OF BOOKING. FULL PAYMENT 14 DAYS BEFORE STAY.**
